SERIES

AUGUST 2019

Three tips to prepare you and your family for a safe return to school!

Review Your Family's Walking Safety Rules

- Walk on sidewalk when available.
- Walk facing traffic and stay alert.
- Look both ways before crossing.
- Make eye contact with drivers.
- Always cross streets at crosswalks and intersections.

Teach Your Child The Rules Of The Road

- Ride on the right side of the road.
- Come to a complete stop before crossing.
- Look left, right and left again before crossing.
- Make sure your child always wears a properly fitting helmet and bright clothing.

Teach Your Children School Bus Safety

- Go to the bus stop with your child to teach them the proper way to get on and off the bus.
- Teach your children to stand 6 feet (or three giant steps) away from the curb.
- If your child must cross the street in front of the bus, teach them to walk 10 feet in front of the bus when crossing.
